CEFR level

Compare CEFR to IELTS®\*\*

Compare CEFR to TOEFL iBT \* ®

## At this level you:

Can understand enough to follow extended speech on abstract and complex topics beyond your own field, though you may need to confirm occasional details, especially if the accent is unfamiliar.

Can recognise a wide range of idiomatic expressions and colloquialisms, appreciating register shifts.

Can follow extended speech even when it is not clearly structured and when relationships are only implied and not signalled explicitly.

Can understand in detail lengthy, complex texts, whether or not they relate to your own area of speciality, provided you can reread difficult sections.

\*These charts can only be used as approximate comparisons and cannot be considered evidence of actual or expected IELTS® or TOEFL iBT® scores.
